- These sessions are in addition to our normal weekday sessions
- The speech and language therapists will be online from 9.30am to 12pm midday.
- Your child must be registered with a **Lewisham GP** to use this service.
- This is a drop-in clinic, and you do not need to make an appointment.
- **This means that you may have to wait, and our waiting times can be long.** The receptionist will let you know how long you may need to wait.
- **Log onto the Video Consultation room via this link**

OR by scanning the QR Code in the bottom right hand corner.

Please see information below for your consideration when attending video appointments

- Log on to the video consultation room via this link [https://nhs.vc/LGT/childrens-online- Speech-and-Language-Therapy-Drop-In-Service](https://nhs.vc/LGT/childrens-online-Speech-and-Language-Therapy-Drop-In-Service)
- Our receptionist will ask you for your child's details and will let you know the wait time.
- Please ensure that your child is with you, and that you are in a quiet place where you can see and hear the therapist and the therapist can see and hear you.
- You may want to keep your child occupied with some toys whilst you wait.
- The therapist will ask you some questions about your child's speech and language and may also want to observe your child playing.
- The session will last for approximately 15-20 minutes.
- At the end of the session the therapist will give you some advice and you may be referred for intervention sessions or to another service if the therapist feels that it is necessary.
- **What to do if we get disconnected?** If the call is cut off because of a technological fault, please try and log back on again. You should be connected immediately.
- The session is to be treated as if it is a school or clinic-based meeting by the therapist, parent/carer and child including appropriate use of language and clothing.
- Please remember that we will be able to see you on video, as well as anything in the background.
- Your legal rights under the General Protection Legislation Regulation (GDPR) remain the same.
- We will not record this video consultation, and we ask that you do not make any recordings either. The Therapist will make notes of the session.
- Call 020 3049 1464 for more information.
